**EMF INC AND COMPUTHINK ANNOUNCE STRATEGIC PARTNERSHIP  
IN INTEGRATED DOCUMENT MANAGEMENT**

**COMPANIES TO FEATURE AWARD-WINNING VIEWWISE SOFTWARE SUITE**

Lombard, IL and Keene, NH – March 2006 – Computhink, Inc. and EMF Inc. announced a partnership to deliver best-in-class Integrated Document Management and Image-Enabling software solutions for enterprise-wide information archiving and sharing. Using Computhink’s award-winning ViewWise software, EMF will design and deploy Document Management solutions customized to satisfy individual client requirements.

EMF is a New England-based IT services company. Founded in 1973, EMF provides a wide range of services that are designed to enhance user productivity, improve use of information technology and create value for clients.

Robert Gogolen, President of EMF, believes that document management is a critical need in all organizations, regardless of size. “Documents are the primary source of information and data storage. Finding an efficient way to securely manage those documents is a challenge that we can solve, thanks to our partnership with Computhink.”

“We are extremely pleased to partner with EMF”, states Frank Wasti, VP of Sales North America. “Document Management is a key component in many overall technology solutions and EMF’s ability to provide our ViewWise solution in conjunction with other technology elements will make them a valuable member of Computhink’s expanding reseller channel.”

### **About Computhink**

Computhink, an international company headquartered in Lombard, Illinois, provides best-in-class Enterprise Level Integrated Document Management (IDM) software and document-enabling integration solutions for secure enterprise information sharing, targeting Enterprise class customers operating on Windows, Linux, or Novell platforms. Computhink has over 4,400 worldwide customers in government, financial services, education, healthcare, industrial and utility organizations. ### **About EMF Inc**

EMF is a full-service integration, maintenance, and support company with over 500 customers in nonprofit, government, financial services, automotive, manufacturing, education, healthcare and service organizations. Most are headquartered in New England and Upstate New York and many have locations nationwide. At EMF, we understand that our job is to improve your productivity through effective use of information technology. Everything we do, from maintenance and support to assessing needs and designing solutions, is driven by *business* needs, not technology. We make the headaches of information technology go away, so you can focus on your business. We believe that technology should be a tool, not a distraction. For more information, visit
