Perry Corporation Partners with Computhink, Inc. to Extend Electronic Document Management Service Offerings

Lombard, IL, July 28, 2009 – Computhink is pleased to announce Perry Corporation has become one of its newest Certified Partners. Perry Corporation, a full-service office product, network and document management company headquartered in Lima, Ohio, is now offering Computhink's ViewWise Document Management software solutions to its small and medium-sized businesses (SMB) across Northwest Ohio, Northeast Indiana and Southeast Michigan.

"Perry Corporation is an excellent addition to our strong, selective, and still-growing base of resellers across the country," said John Stelmach, President of Computhink. "They have a proven track record of success in their dedicated region, and with the flexibility of our ViewWise solution, we are certain that Perry Corporation can meet whatever demands their customer base may have in store for them."

The flexibility of Computhink's ViewWise Document Management Solution is one of many benefits of the software, and allows Perry Corporation now to boast a complete product suite.

"ViewWise is well designed for the markets Perry Corporation serves. It provides a comprehensive, in-house document management solution without significant customizations. It further offers an intuitive, folder-based user interface that requires minimum training," said Barry Clark, President of Perry Corporation. "Because it offers tight integration with mainstream email platforms, it also provides a simple and affordable e-mail archival solution for organizations facing SOX, FRCP, SEC, HIPPA, and other regulatory requirements."

As a document management solution, ViewWise offers complete document management / enterprise content management functionality that rivals solutions selling for several times the cost. ViewWise offers secure desktop and web access to content, storage management, retention. For more information on ViewWise, please visit www.computhink.com.
